"National and international research funding opportunities for Postdocs"

The aim of this information session is to provide an overview of research funding organisations, their funding portfolio as well as basic tips for writing grant proposals. The focus lies on national and European research funding programs for the early phase of the scientific career after the PhD.

All PhD students and postdocs are welcome - the main target groups are PhD students at the end of their doctorate and early Post-Docs!!

Monday, July 09, 2018

5.15 p.m.

Location:

Seminar Room N02.017

BioMedizinisches Centrum (BMC)

Ludwig-Maximilians-Universität

Großhaderner Str. 9

82152 Planegg-Martinsried
